Chapter 1 How to make a problem-based diagnosis .....	1	06-8
<i>Jacque Rand</i>		

## Part 1: Cat with upper respiratory tract signs

Chapter 2 The cat with acute sneezing or nasal discharge .....	5	07-12
<i>Jacque Rand</i>		
Chapter 3 The cat with signs of chronic nasal disease (chronic > 3 weeks duration) .....	19	08-12
<i>Jacque Rand</i>		
Chapter 4 The cat with stridor or stertor .....	32	09-39
<i>Jacque Rand, Robert Allen Mason</i>		

## Part 2: Cat with lower respiratory tract or cardiac signs

Chapter 5 The dyspneic or tachypneic cat .....	47	10-54
<i>Robert Allen Mason, Jacque Rand</i>		
Chapter 6 The cat with hydrothorax .....	71	11-78
<i>Robert Allen Mason</i>		
Chapter 7 The coughing cat .....	90	12-97
<i>Robert Allen Mason, Jacque Rand</i>		
Chapter 8 The cyanotic cat .....	109	13-116
<i>Grainne Muire McCarthy</i>		

## Part 3: Cat with signs of heart disease

Chapter 9 The cat with abnormal heart sounds and/or an enlarged heart .....	124	14-131
<i>Luis A H Braz-Ruivo, Kathy A Arrington</i>		
Chapter 10 The cat with tachycardia, bradycardia or an irregular rhythm .....	157	15-164
<i>Luis A H Braz-Ruivo, Kathy A Arrington, Fiona Campbell</i>		

## Part 4: Cat with urinary tract signs

Chapter 11 The cat straining to urinate .....	173	16-180
<i>Lucio John Filippich</i>		
Chapter 12 The incontinent cat .....	193	17-200
<i>Lucio John Filippich</i>		
Chapter 13 The cat with discolored urine .....	205	18-212
<i>Joseph William Bartges</i>		
Chapter 14 The cat with inappropriate urination .....	217	19-224
<i>Joseph William Bartges</i>		
Chapter 15 The cat with polyuria and polydipsia .....	231	20-238
<i>Jacque Rand</i>		

## Part 5: Cat with acute illness

---

Chapter 16 The cat with acute depression, anorexia or dehydration .....	261	21-268
<i>Anthony Abrams-Ogg</i>		

## Part 6: Cat with weight loss or chronic illness

---

Chapter 17 The cat with weight loss and a good appetite .....	301	22-308
<i>Daniëlle Gunn-Moore, James B Miller</i>		
Chapter 18 The thin, inappetent cat .....	330	23-337
<i>Penny Barber†, James B Miller, Jacquie Rand</i>		

## Part 7: Sick cat with specific signs

---

Chapter 19 The pyrexia cat .....	364	24-371
<i>Kristy L Dowers, Michael R Lappin</i>		
Chapter 20 The cat with enlarged lymph nodes .....	393	25-400
<i>Anthony Abrams-Ogg</i>		
Chapter 21 The yellow cat or cat with elevated liver enzymes .....	421	26-428
<i>Albert E Jergens</i>		
Chapter 22 The cat with abdominal distention or abdominal fluid .....	443	27-450
<i>Anthony Abrams-Ogg</i>		
Chapter 23 The bleeding cat .....	481	28-488
<i>Anthony Abrams-Ogg</i>		

## Part 8: Cat with abnormal laboratory data

---

Chapter 24 The anemic cat .....	526	29-533
<i>Michael R. Lappin</i>		
Chapter 25 The cat with polycythemia .....	552	30-559
<i>Jacquie Rand, Annette Litster</i>		
Chapter 26 The cat with hyperlipidemia .....	569	31-576
<i>Boyd Robert Jones</i>		

## Part 9: Cat with signs of gastrointestinal tract disease

---

Chapter 27 The cat with salivation .....	578	32-585
<i>Victor Hans Menrath</i>		
Chapter 28 The cat with bad breath or oral lesions .....	602	33-609
<i>Gary John Wilson</i>		
Chapter 29 The cat with signs of regurgitation (acute or chronic) .....	612	34-619
<i>Debra L Zoran</i>		
Chapter 30 The cat with signs of acute vomiting .....	630	35-637
<i>Debra L Zoran</i>		
Chapter 31 The cat with signs of chronic vomiting .....	662	36-669
<i>Debra L Zoran</i>		
Chapter 32 The cat with signs of acute small bowel diarrhea .....	697	37-704
<i>Debra L Zoran</i>		
Chapter 33 The cat with signs of chronic small bowel diarrhea .....	734	38-741
<i>Debra L Zoran</i>		
Chapter 34 The cat with signs of large bowel diarrhea (acute and chronic) .....	762	39-769
<i>Debra L Zoran</i>		
Chapter 35 The constipated or straining cat .....	781	40-788
<i>Albert E Jergens, Annette Litster</i>		

## **Part 10: Cat with signs of neurological disease**

---

Chapter 36	The cat with seizures, circling and/or changed behavior .....	795	41-802
	<i>Andrée D Quesnel†, Joane M Parent</i>		
Chapter 37	The cat with stupor or coma .....	821	42-828
	<i>Rodney S Bagley</i>		
Chapter 38	The cat with a head tilt, vestibular ataxia or nystagmus .....	835	43-842
	<i>Joane M Parent</i>		
Chapter 39	The cat with tremor or twitching .....	852	44-859
	<i>Rodney S Bagley</i>		
Chapter 40	The cat with anisocoria or abnormally dilated or constricted pupils .	870	45-877
	<i>Rodney S Bagley</i>		
Chapter 41	The cat with neck ventroflexion .....	890	46-897
	<i>Daniëlle Gunn-Moore</i>		

## **Part 11: Cat with an abnormal gait**

---

Chapter 42	The weak and ataxic or paralyzed cat .....	906	47-913
	<i>Paul A Cuddon</i>		
Chapter 43	The cat with ataxia without weakness .....	924	48-931
	<i>Rodney S Bagley</i>		
Chapter 44	The cat with generalized weakness .....	941	49-948
	<i>Rodney S Bagley, Jacquie Rand, Terry King, Fiona Campbell</i>		
Chapter 45	The cat with lameness .....	976	50-983
	<i>Maurine Thomson</i>		

## **Part 12: Cat with behavioral problems**

---

Chapter 46	The cat with aggression .....	992	51-999
	<i>Kersti Seksel</i>		
Chapter 47	The cat with anxiety-related behavior problems .....	1009	52-1016
	<i>Kersti Seksel</i>		

## **Part 13: Cat with skin problems**

---

Chapter 48	The cat with miliary dermatitis .....	1022	53-1029
	<i>Ruadhri Michael Seosaimh Breathnach, Mike Shipstone</i>		
Chapter 49	The cat with pruritus without miliary dermatitis .....	1045	54-1052
	<i>Ruadhri Michael Seosaimh Breathnach, Mike Shipstone</i>		
Chapter 50	The cat with alopecia .....	1052	55-1059
	<i>Ruadhri Michael Seosaimh Breathnach, Mike Shipstone</i>		
Chapter 51	The cat with skin lumps and bumps .....	1067	56-1074
	<i>Rodney Clement Straw</i>		
Chapter 52	The cat with non-healing wounds .....	1081	57-1088
	<i>Gregory Burton</i>		
Chapter 53	The cat with paw or pad problems .....	1107	58-1114
	<i>Isobel Phebe Johnstone</i>		

## **Part 14: Queen and kitten with problems**

---

Chapter 54	The fading kitten .....	1126	59-1133
	<i>Julie Levy</i>		
Chapter 55	The infertile queen .....	1145	60-1152
	<i>Isobel Phebe Johnstone</i>		
Chapter 56	The cat with vaginal discharge .....	1160	61-1167
	<i>Isobel Phebe Johnstone</i>		

## Part 15: Cat with eye problems

---

Chapter 57	The blind cat or cat with retinal disease .....	1165	62-1172
	<i>Richard I E Smith</i>		
Chapter 58	The cat with a red coloration of the globe .....	1191	63-1198
	<i>Richard I E Smith</i>		
Chapter 59	The cat with ocular discharge or changed conjunctival appearance. .	1207	64-1214
	<i>Richard E Smith</i>		
Chapter 60	The cat with abnormalities confined to the cornea .....	1233	65-1240
	<i>Richard I E Smith</i>		
Chapter 61	The cat with a cloudy eye .....	1254	66-1261
	<i>Richard I E Smith</i>		
Chapter 62	The cat with abnormal pupil size, shape or response .....	1278	67-1285
	<i>Michael E. Bernays</i>		
Chapter 63	The cat with abnormal iris appearance .....	1292	68-1299
	<i>Michael E. Bernays</i>		
Chapter 64	The cat with abnormal globe position or size .....	1307	69-1314
	<i>Michael E. Bernays</i>		
Chapter 65	The cat with abnormal eyelid appearance .....	1317	70-1324
	<i>Michael E. Bernays</i>		
Chapter 66	The cat with an abnormal third eyelid .....	1330	71-1337
	<i>Michael E. Bernays</i>		

## Part 16: Drugs

---

Chapter 67	Special considerations related to drug use in cats .....	1342	72-1349
	<i>Jill Elizabeth Maddison</i>		
Chapter 68	Drug therapy in cats:		
	A comprehensive list of recommended dosing regimens .....	1351	73-1358
	<i>Dawn Merton Boothe</i>		
	Drug index .....	1353	1360
Subject Index	.....	1405	1411
